X3					120 Acres (30 miles)
X2					80 Acres (20 miles)
X1					40 Acres (10 miles)
AN90		OR			5 Acres (2 miles)
SX <i>Integrated Solar Charger</i>					10 Acres (3 miles)

\* **NOTE:** Range claims are a general guide and based on multi-wire fences. Actual range claims depend on many factors including fence and farm conditions, livestock type and environment. Solar panel wattage numbers are only general recommendations and may vary based on geography. Please consult your local electric fence professional to determine the best solar panel for your farm. All Stafix energizers are low-impedance.

## PERMANENT vs. TEMPORARY FENCE

### PERMANENT

\* **NOTE About Insulators** - Wrap Arounds / End-Strainers and Pinlocks/Claws/Fin Tubes can be used on the entire fence or mixed depending on individual needs and post type.

### TEMPORARY
