

Dear Family,

One of our favorite games to play at the North Pole is called Reindeer Games. It's a bunch of silly things that you have to do as fast as you can. Can you check off everything on my list?

- How many shoes are in your parents closet?
- Find a receipt from a store.
- Count to 56.
- Read the last page from the first book you see.
- Touch your nose, then toes, then nose again.
- Count the number of doorknobs in your house.
- Make your bed as fast as you can.
- And finally - do 10 jumping jacks.
