# WARRANTIES

While all Industrie Tapware products are manufactured to the highest standard, in addition to the guarantees provided under the Australian Consumer Law (Schedule 2 to the Competition and Consumer Act 2010(Cth)) (“ACL”), we offer varying extended warranty

periods from the date of purchase or handover; please refer to the following tables. We guarantee that our products are free from all defects in materials and workmanship, subject to the terms and conditions that follow, for additional peace of mind.

Note: These warranty periods apply only to products that were purchased after 1 January 2016

## Warranty Conditions

This additional warranty only covers INDUSTRIE TAPWARE products listed (collectively “Products”), does not extend to products you have selected outside our product range.

This additional warranty only applies to defects which have arisen solely from faulty materials or workmanship in the products and does not apply to other defects which may have arisen as a result of, without limitation, the following: accidental damage, abuse, misuse, maltreatment, abnormal stress or strain, harsh or adverse weather conditions, including excessive water pressure or temperature, the effects of hard water or neglect of any kind of the products. Alterations and repairs of the products other than by an accredited and licensed service agent or technician are not covered. In addition to this additional warranty, certain legislation (including the ACL) may give you certain rights which cannot be excluded, restricted or modified, this additional warranty must be read subject to such legislation and nothing in this warranty has the effect of excluding, restricting or modifying those rights.

Note: Damage from pieces of copper tube, plastic tube, sand, dirt or thread tape etc, are not covered by warranty

## Additional Warranty Information

Should any warranty claim be made and attended to by a Industrie Tapware authorised Service Agent and that in the opinion of the Service Agent or Industrie Tapware, the problem was from faulty installation or use of the products in conjunction with products of another manufacturer or from some other cause other than a manufacturing defect of the goods for which Industrie Tapware is responsible, Industrie Tapware reserves the right to charge a service fee for each service staff attending the premises where products have been installed.

As part of Industrie Tapware’s commitment to continuous improvement, Industrie Tapware reserves the right to make changes to its products at any time and supply an alternative product.

Industrie Tapware requires adequate access to products, fittings and fixtures to undertake extended warranty repairs. Industrie Tapware will not be responsible for any consequential damage or costs where there is inadequate access to products.

Industrie Tapware reserves the right to provide minor components as ‘parts only’ to the customer during any part of the warranty period.

## Consequential Loss

To the extent permitted by law, INDUSTRIE TAPWARE will not be liable for any loss or damage to furniture, floor coverings, walls, fixtures or any other consequential loss of any kind caused by any defect in the product or components.

# Everything we do at Industrie Tapware is focused on creating an outstanding experience for our clients.
