AWARDS & RECOGNITION

From left, J. Marshall, L. Sarfati and Erin Quigly, account sales associate, Repêchage.

Lydia Sarfati, president and CEO, **Repêchage**, and honorary chairman of EstheticsAmerica/CIDESCO USA, was invited as the official U.S. representative at the CIDESCO World Congress 2012, held in Zurich last October. Jessi Marshall, director of education and industry programs for the Professional Beauty Association, also served as a representative. 800-248-7546, www.repechage.com

Pevonia Skincare received 19 top beauty awards in 2012. The honors recognize the brand's worldwide reach, new image, latest product launches and repeat wins for numerous global best-selling product lines. Recognition includes three nods from the Anti-Ageing Beauty Bible Awards; Spa Product Line of the Year, AsiaSpa Awards; Top Brands List in Search of Beauty in China, Chinese Beauty & Life The Best Spa Awards; Editor's Choice Award, *Green Parent* magazine's Natural Beauty Awards; the Pewter Award, Gold Ink Awards; Best Eye Treatment, Instinct Grooming Awards; The Professional Anti-Aging Product Award, Sisters Beauty Pro Awards; and the Most Striking Product of the Year, Spa China Awards. 800-738-6642, www.pevoniapro.com

From left, Antoine Macoule, president of U.S. sales; Philippe Hennessy, CEO and president; Angel Li, director of education, Pevonia China; and Ron Jean, vice president, international business development

GIVING BACK

Éminence Organic Skin Care launched an environmental initiative in November to plant a tree for every active organic or Biodynamic product sold. A portion of the proceeds will go toward planting trees to help clean the air and support the world's natural resources. It

Boldijarre Koronczay, president and founder

is estimated that in the first year of the program, the equivalent of more than 1,000 football fields of trees will be planted. 888-747-6342, www.eminenceorganics.com

M. Ronert, MD, with a patient in Peru.

Marc Ronert, MD, president and medical director of **Image Skincare**, recently traveled to Peru as part of the Care for Skin Foundation's team of 17 medical professionals who offered reconstructive surgery to children who have suffered loss of skin due to accidents, tumors, burns, scars or genetic abnormalities. Ronert is a board-certified plastic and reconstructive surgeon who donated his time and experience to the mission. 800-796-7546, www.imageskincare.com
