

PREMIERWALL EURO3

130cm Fabric-Backed Contract Wallcovering

PREMIERWALL EURO3, designed for applications in the commercial, hospitality and residential environments, is a fabric-backed vinyl wallcovering collection that exhibits excellent designs and colors.

PHYSICAL PROPERTIES

Weight	355 - 450g/m ² +/-15 g/m ²
Roll Size	130cm x 35/50m
Backing	Fabric

FIRE SAFETY

- Class 0/1 BS476 Part 6/7

COLORFASTNESS & MAINTENANCE

PREMIERWALL EURO3 is stain resistant due to its robust vinyl coating. If soiled, simply wash with a mild detergent, rinse with clean water and then sponge to dry. However, an accumulation of water at skirting level should be avoided, as this may cause the wallpaper to lift from the decorated surface.

ANTI-MICROBIAL FEATURES

PREMIERWALL EURO3 has a high degree of microbial resistance as it incorporates an active biostabiliser.

RESISTANCE TO CHEMICALS

Resistant to: Soap; Detergents; Alcohol; Ammonia; Alkali; Diluted Acids.
Not resistant to: Solvents like Ketones; Esters; Aromatic hydrocarbons.

BATCHING

Since slight variations in shading may occur from time to time, it is important that the roll carrying the same batch number be used in any one area.

ORIGIN

HOLLAND
