Search For Bigfoot Bradley!

Dean Gorissen

Bradley's got big feet. Really, really, really big feet. He doesn't know why he's got them - maybe he's from another planet. While everyone else is searching for what's behind the giant footprints all over town, Bradley spends some of his time trying to find out where he comes from and the rest trying to hide those enormous feet, especially from the kids at school ... until he discovers how far he can kick and becomes a football legend.

The Author

Dean Gorissen lives in Melbourne, Victoria. While having illustrated several picture books, including *I Got a Rocket!* (now an Emmy-award-winning cartoon series), *My Dad's a Wrestler!* (both written by Matt Zurbo) and *Ten Little Elvi*, this is the first book he has also written. Dean also illustrated the best-selling *Deadly!* and *Wicked!* series by Paul Jennings and Morris Gleitzman, and his illustration work has appeared in several Communication Arts Illustration Annuals and 3x3 Illustration Award Annuals.
