

# PROFILE

Fact Sheet

# Gelcoat Restorer & Wax

## Product Description

Profile Gelcoat Restorer & Wax is a combined surface restorer and wax that will remove grime, contamination and minor chalking from gelcoated or painted surfaces and leave a glossy wax finish. It is very quick and easy to use and gives great results on many marine and industrial surfaces with surface contamination or minor weathering damage. Profile Gelcoat Restorer & Wax is designed to be used by hand and its non aggressive formula is safe to use on most surfaces.

## Product Information

Size	Code	Ctn Qty
500ml (17 fl.oz.)	PGC501	12

## Technical Information

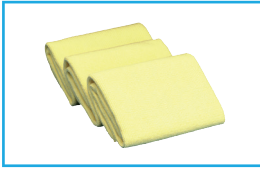

Appearance: Green-blue coloured liquid  
Viscosity: Medium viscosity  
VOC Content: 13% of total product  
Relative Density: 1.0  
pH: TBA  
Types of Surface: Gelcoats & Acrylics

## Key Benefits

• All in One	Surface restorer and wax in one product
• Fast Finish	Easy to use and very quick for the fastest possible finish
• Surface Restoration	Effectively removes surface contamination and minor chalking from most surfaces including marine gelcoats and paints
• Protection	Leaves a high gloss, protective wax finish
• Multi-surface Compliant	Safe to use on all surfaces including marine gelcoat and paint

## Use With

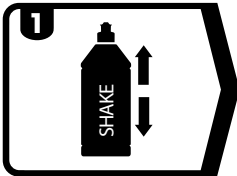

### Hand Application

Farécla Finishing  
Cloth  
FC-3

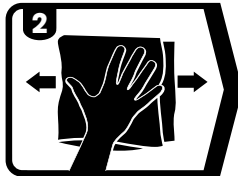

## How To Use

### Hand or Spray Application

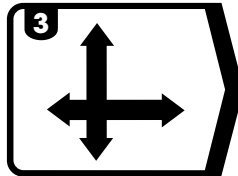

Shake well before  
use

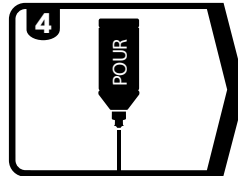

PGC501 (500ml)

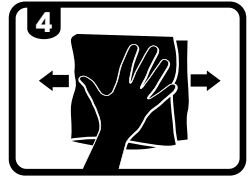

Apply a small  
amount of product  
with a Finishing  
Cloth  
FC-3 (cloth)

Using firm pressure,  
apply to surface in  
a back and forth  
motion in straight  
lines, changing  
direction on a  
regular basis to  
ensure even  
coverage

Work over an area  
of 1-2 sqm at a time,  
turning the cloth  
regularly and  
applying extra  
product as  
required

When contamination  
marks have been  
removed allow a  
few seconds to haze  
over and then polish  
off to a high gloss  
finish using a  
Finishing Cloth

\*It is always recommended to test on an inconspicuous area prior to general use

## Additional Information

Profile Gelcoat Restorer & Wax is an ultra rapid finishing product that will give an excellent finish on many different surfaces. Specifically designed for use on marine gelcoats, it is also excellent on all paint finishes. Mainly for use by hand.
