Wholesale Account Eligibility: EBO skincare products are eligible for wholesale purchase to approved companies offering professional skincare consultations by an EBO trained professional.
Ordering: Please email, mail or fax orders using the EBO order form to the addresses listed in this document. You can also call in your order at 317-285-9835.
Minimum Orders / Shipping Charges: Opening orders require a minimum purchase of \$200. Actual shipping charges will apply to all wholesale orders.
Training: EBO in-service training is required and will be provided at your location. Let us know when you have new skin care professionals or need additional training.
Internet Advertising & Sales: EBO allows approved wholesale accounts to offer our EBO products on their website(s). To protect our wholesale accounts, pricing for EBO products on your website(s) must be set at Manufacturer’s Advertised Pricing (MAP) and cannot be discounted below or uplifted above MAP pricing.
Claims & Returns: Please inspect all merchandise upon delivery to verify that it is correct, corresponds to the packing slip, and is in good condition. We honor a money back guarantee on all products. We will refund 100% of the purchase if the items are returned within 90 days of the invoice date along with a written explanation of the return. If one of your clients returns a product, please notify us as soon as possible and we will provide a product credit or replace the product at no charge.
Payments: All invoices are payable within 30 days from the invoice date. All costs incurred to recover delinquent accounts will be the responsibility of the buyer.
