Our Bella Fresca is a proprietary blend, assembled by Villa Bellangelo's assistant winemaker Daniel Bissell. Consisting of 60% Cayuga, sourced from Sawmill Creek Vineyards, 20% Traminette, sourced from Alan Hunt Vineyards, and 20% Gewürztraminer, sourced from Morris Vineyards. Each Vineyard location produces premium wine grapes, and is situated within 10 miles of Villa Bellangelo.

VINTAGE SUMMARY

After a mild winter, bud break occurred in mid-March, very early by comparison to recent vintages. Late March presented wine growers with sleepless nights, as several frost events threatened this promising vintage. Although some damage occurred, Bellangelo and its premium growers endured the spring, only to experience a long, dry summer, with rains that were perfectly timed to provide necessary moisture to the vines, without too much moisture accumulation. In all, the 2012 vintage proved to be a near perfect vintage for the Finger Lakes, and a very special year for Bellangelo's fine wines.
