

### **INSTALLATION GUIDE**

PART #: BSS-92588-203

**PRODUCT TYPE:** 3 Tray Metal Mesh Desktop File Organizer

#### MATERIALS NEEDED (INCLUDED):

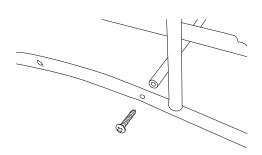

Tower Structure (2)

File Trays (3)

Bars (3)

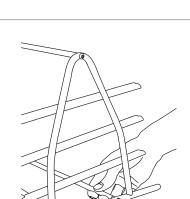

Screws (6)

L-Key Screwdriver (1)

# STEP 1

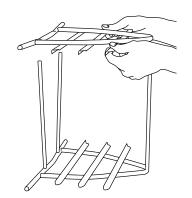

Using the screwdriver, install the screws through the hole in the tower structure (A), and thread into the bar structure (B).

# STEP 2

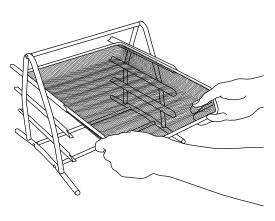

Repeat step 1 three times with all three bar structure parts (B).

**TIP:** Be sure the rails on the tower structure (A) are facing inwards towards the bar structure (B).

# STEP 3

Repeat steps 1 and 2 with the second tower structure (A). Be sure to make sure the rails on the tower structure face inward like shown above.

**STEP 4** Insert the file trays (C) into the rails.
