What is Black Label?

Black Label is a custom service that offers you the choice of any wood in the entire world for the ultimate NEOGEO setup. Black Label units are identical in design and function to the Analogue CMVS Slim and Analogue Arcade Stick

Solid Brass Tags

We designed and crafted solid brass product tags that sit exclusively beneath each and every Black Label unit.

What Kind of Wood?

View and select from hundreds of woods at the [Wood Database](#). We've also compiled a price list of our favorite woods which can be viewed on the pricing page.

A Black Label Set Includes

- Analogue CMVS Slim
- (2) Analogue Arcade Sticks
- Solid Brass, Black Label Product Tags
- S-Video, Composite & Stereo Sound Cable
- Power Supply
