TROUBLESHOOTING

PRECAUTION

Use the adaptor that comes with MY STAGE only. There are many adaptors that are plug-compatible with MY STAGE, but have different electrical specifications. These adaptors would work only for a short period of time but would soon damage MY STAGE.

Do not plug MY STAGE in if it is wet. Please contact the service center immediately, if the device has been used in wet condition. If any solid object or liquid gets inside of MY STAGE, unplug it and have it checked by the service center.

Do not drop MY STAGE. Any external or internal damage due to dropping is not covered under warranty.

Do not insert or remove additional packs, total pack and USB memory device while MY STAGE is turned on.

Do not store MY STAGE in direct sunlight, in a high temperature, or a highly humid room.

Do not use strong chemicals to clean MY STAGE, as these chemicals may damage the device. Keep MY STAGE away from pets and small children.

Do not prsss the LED/LCD part

Never use a sharp object on the keypad.

Do not immerse MY STAGE in water or splash water on it. Water damage is not covered by the warranty.

Do not disassemble MY STAGE into parts. This will void the warranty.

TROUBLESHOOTING

In cases of problems, please check the following recommendations before contacting the service center.

• If MY STAGE cannot be turned on	MAIN DEVICE : Make sure the adaptor is correctly plugged into the power outlet. Check if the plug is properly inserted to the corresponding jack. In case you are using the device with wireless MIC, check if the battery type is AA. If the battery is low, MY STAGE wireless MIC may not work properly.
• If the user's voice cannot be heard	Press the VOL button and check the MIC volume of MY STAGE.
• If the TV dose not show pictures or emit sound	Make sure HDMI cable and/or A.V cables are properly connected between MY STAGE and HDTV(SDTV). And check if the input setting of HDTV(SDTV) corresponds to the external input of your TV to which the cables are connected.
• The display screen of MY STAGE has frozen or disappeared from TV screen	Press the power button off and turn it back on.

※ When MY STAGE needs to be repaired, please send it to your nearest service center or the place you purchased it from.

LIMITED WARRANTY

COREWILL YEAR(S) LIMITED WARRANTY

Thank you for purchasing a product of COREWILL.
COREWILL warrants its products against defects in materials and workmanship under generally accepted industry standards for a period of ( ) year(s) for labor and parts from the date of retail purchase. The warranty obligation is limited to the terms and conditions set forth as below;

TERMS AND CONDITIONS

1. If a defect or defectes exist, at its option, COREWILL will repair the product at no charge, using new or refurbished replacement parts, provided the product does not fall into one of the categories of Section Number 9 "The warranty does not cover as below:". Replacement parts are warranted for the balance of the original applicable warranty period.

2. To obtain warranty protection, notice of the alleged defects must be given promptly upon discovery with the warranty card bearing the date of purchase, the product's model number with its serial number and other fill-ins must be presented with the proof of purchase (Tax invioice/receipt) to one of our authorized service centers.

3. Our decision on all questions with respect to complaints as a result of defects, either materials or workmanship, shall be conclusive.

4. In order to ensure that you are covered by the warranty, you should use only genuine parts and components such as adaptors and cables provided.

5. Authorized Service Centers will repair products under warranty at no charge, given all quidelines and restrictions are followed. Shipping expenses may or may not apply to customer depending on the region. Please contact local service center before sending any unit for repair.

6. After warranty period, to have normal service, customers shall bear all costs in shipping the product(s) for both ways. (Customers to service centers and Service centers to customers)

7. All of returned products must be packaged appropriately, and it is recommended that they be insured or sent by a method that provides for tracking of the package. The recipient (service center(s)) is not responsible for any product that is lost or damaged in transit.

8. Please be noticed that the warranty will not be effective and all the costs of both repair and shipping in and out shall be born by customers if they purchase the products flowed in or purchased from other countries.

9. The warranty does not cover as below:

   1) Defects, damage and breakages resulting from accidents, misuse (breakages, spillage of food/liquid substances that defect the product and parts such as P.C.B, battery leakage and Etc.), wrong usage of electrical supply and voltage, abuse, alternation, modification, improper testing, tampering or failure of the user to follow normal operating procedures.
   2) Product subjected to unauthorized disassembles and/or repairs which negatively affect the performance of the product.
   3) In case of non-authorized third party engagement.
   4) Normal and customary ware and tear, corrosion, rusting or stains.
   5) Scratches and damages to the outer surface areas and externally exposed parts that are due to normal customer use.
   6) Claims for damaged/missing parts or accessories after 3 days from the original date of goods received.
   7) Product which has its serial number removed or altered or made illegible/ tempered.
   8) If the warranty card is being altered, defaced or erased in any manner whatsoever.
   9) Accessories in the product package provided by COREWILL such as MIC adaptors, cables which are considered as consumable articles.
   10) The warranty period for a voice coil of the MIC is 6 months from the date of a retail purchase.

10. Any service charge due to the clauses of "The warranty does not cover" will be billed to customers and the service charge will vary depending on each service center in each country. Please consult the service charge with your service center.
