

Which size is the right one for you?

For OnlyOne unicycles, have a look at the following table to determine which unicycle size you can ride. These are minimum inside-leg dimensions. 16" and 18" are for children, 20" is for universal purpose, 24" is for longer distances or special purpose.

unicycle size	min. inside-leg
16"	54 cm
18"	60 cm
20"	62 cm
24"	68 cm

choose 2 cm less for beginners
