Mean
Taylor Swift

Tuning (G# D G B D) When you strum try to only play the bottom 4 strings, but you probably will hit the top string every once in awhile. We tune up the top string to G# because this song is in the key of E (which has the note G# instead of G). That way if you hit the top string it won’t clash with the chords!

Verse (repeat 4 times)

C#m B A A

Pre-Chorus

B B E A

Chorus (repeat 2 times, break on last A)

E B C#m A

E B A A

Break

E E E

Verse 2 (repeat 4 times, on 2nd repeat break on 2nd A)

C#m B A A
Pre-Chorus 2

```
B B E A

C#m B A (once) (once) (once)
E B C#m A
E B C#m A
E B C#m A
```

Chorus 3 (muted strums for 8 bars, repeat chorus 3 times, one strum on very last 4 chords, end on E)

```
E B C#m A
E B A A
```
