Shooting stars...

Lansdown is a small family owned business based in Carmarthen, Wales. We started life as Quiltknit, and have manufactured technical knit shooting jumpers for the shooting fraternity for over thirty years. Our expertise in high performance fabrics was further recognised when we were asked to make specialised wicking horse rugs for premium rug manufacturer Lansdown.

Despite the fact that this was a new market for us, we found that we were both passionate about the same things: Using only the best quality fabrics, ensuring a perfect fit (whether human, equine or caninel!) and offering excellent value for money. Our shared values led to us acquiring Lansdown in the 1990s.

Our shooting apparel has continued to go from strength to strength, with the recent introduction of our half zip style and with us taking the decision to incorporate Quiltknit into the Lansdown brand in the first half of 2012. We have also started to reach out to a new shooting audience by exhibiting at such events as the Shooting Show and the CLA Gamefair.

Our jumpers continue to grow in popularity and regard within the country community, adapting with fashion and technological advances to bring you new styles, culminating in the range that we proudly present to you today.

Lightweight V Neck with Patches

Code: ACO

This lightweight men's sweater is smart enough to wear before, after or during your day's shooting. A classic jumper of exceptional quality with the added bonus of being machine washable.

- Lightweight, smart men's shooting and country jumper with V neck for more formal attire
- Generously cut around the arms to ensure freedom of movement whilst shooting
- Technical knit – tightly knitted double ply yarn from a hard wearing polyacryl/wool blend. This means that this jumper is snag resistant and offers good protection from wind chill for a garment of its weight
- Easycare - machine washable at 40 degrees.
- Can be embroidered with your choice of sporting logo or motif

Fabric Description:

- 80/20 polyacryl / wool blend ensures jumper is hardwearing but with a wool look and feel.
- Moleskin shoulder and elbow patches.

Available in sizes S, M, L, XL, XXL, XXXL

ACO

ACA

Mediumweight V Neck with Patches

Code: TCO

This versatile Mediumweight jumper is ideal for guns that want to stay warm but look smart. 100% practical, this versatile jumper is warm enough to be worn on its own for most of the year but can also be used as a midlayer on chillier days.

- Warm, smart and versatile shooting jumper with V neck for more formal attire
- Generously cut around the arms allowing for a good range of movement
- Technical knit - tightly knitted double ply yarn means that this jumper is both snag and wind resistant
- Can be easily embroidered with your choice of sporting logo or motif
- Easycare - machine washable at 40 degrees

Fabric Description:

- 80/20 polyacryl / wool blend ensures jumper is hardwearing but with a wool look and feel.
- The inner lining is 100% polyacryl to ensure softness and comfort next to the skin
- Soft, luxurious moleskin shoulder and elbow patches.

Available in sizes S, M, L, XL, XXL, XXXL

TCO

Mediumweight V Neck

Code: TCA

Ideal for shooting or for everyday use, this mediumweight jumper combines great looks with comfort and warmth. 100% practical, it is snag and wind resistant as well as being fully machine washable.

- Smart, warm and versatile jumper for use all year round
- Generously cut around the arms to allow for a good range of movement.
- Technical knit - tightly knitted double ply yarn means that this jumper is both snag and wind resistant
- Can be easily embroidered with your choice of sporting motif
- Easycare - machine washable at 40 degrees

TCA

Heavyweight V Neck with Patches

Code: BCO

We think this is the best thick sweater you will ever buy. Our Heavyweight jumpers are incredibly warm, extremely hardwearing, shower, wind and snag resistant. Perfect for shooting in the worst weather conditions, this high quality jumper is a Winter essential.

- Unbeatable warmth - three layers of thermal protection allow you to shoot in comfort - whatever the weather.
- Generously cut around the arms to allow for a good range of movement. Ideal for those who prefer to shoot or fish without the restriction of a jacket. Smart V neck allows for the wearing of shirt and tie
- Showerproof and wind resistant technical knit - a layer of polypropylene fibre wicks moisture away from the wearer - preventing chill and discomfort in the rain whilst our tightly knitted double ply yarn means that this jumper is both wind and snag resistant.
- Easycare - machine washable, do not tumble dry

Fabric Description:

- 80/20 polyacryl / wool blend ensures jumper is hardwearing but with a wool look and feel.
- The inner lining is 100% polyacryl to ensure softness and comfort next to the skin

Available in sizes S, M, L, XL, XXL, XXXL

BCO

Heavyweight V Neck

Code: BCA

Our Heavyweight Jumper without patches is tailor made for those who really feel the cold. It is ideal for farmers, thatchers, gamekeepers and those work out of doors and need protection from the wind and rain without compromising their range of movement. This is also the perfect jumper for wearing in drafty country houses without central heating!

- Unbeatable warmth, the ultimate in men's chunky knitwear
- Wind resistant and showerproof technical knit. Our tightly knitted double ply yarn means that this jumper is both wind and snag resistant whilst a layer of polypropylene fibre wicks moisture away from the wearer - preventing you from feeling chill and discomfort from the rain
- Smart V neck, suitable for formal wear with shirt and tie
- Generous cut around the arms allows for a good range of movement.
- Easycare - machine washable, do not tumble dry

Fabric Description:

- 80/20 polyacryl / wool blend ensures jumper is hardwearing but with a wool look and feel.
- The inner lining is 100% polyacryl to ensure softness and comfort next to the skin

Available in sizes S, M, L, XL, XXL, XXXL

BCA

- The inner lining is 100% polyacryl to ensure softness and comfort next to the skin

Available in sizes S, M, L, XL, XXL, XXXL

BCE

Thermal Cap

Code: BCN

BCN

A traditionally styled country cap that is extremely warm, showerproof and wind resistant. Trimmed with matching moleskin, this is the perfect cap for all country pursuits such as shooting, fishing or just walking the dog.

To measure your cap size, use a tape measure and place on the forehead. Pass the tape around the head ensuring that the widest part of the head is included and then use the following measurements:

S: 54cm (UK hat size 6 ⁵/₈),

M: 56cm (UK hat size 6 ⁷/₈),

L: 58cm (UK hat size 7 ¹/₈),

XL: 60cm (UK hat size 7 ³/₈),

XXL: 62cm (UK hat size 7 ⁵/₈)

Therma-Dry Gundog Coat

The Lansdown Gundog coat has been specially designed to work as a dual purpose dog coat. It warms your dog up on a frosty morning, dries him off after a water retrieve and then keeps him warm and dry whilst you enjoy your shooting lunch! At the end of the day, it will be ready to warm and dry your dog all over again. No more damp and smelly towels in the back of the car!

How does it work?

Special wicking fibres draw moisture through, but not into, the fabric, so moisture quickly evaporates away. This means the fabric itself stays dry and the dog coat can be re-used throughout the day.

Therma Dry Material

- Outer layer is unbeatably warm, exceptionally hardwearing, snagproof and wind resistant
- Polypropylene fibre filling wicks moisture away from the dog's skin preventing chilling
- Inner layer is lined with 100% acrylic for softness and comfort
- Our bespoke Forest Green melange yarn gives a camouflage effect
- Easycare – machine wash at 40°C. Do not tumble dry

Choosing the right size coat for your dog

Please check the size chart and measuring guide on page 22.

Menswear Sizing Guide

Men's Jumper Sizing

Chest Size	Measurements (in)	Measurements (cm)
S	34-36"	86-92
M	38-40"	96-102
L	42-44"	106-112
XL	46-48"	116-122
XXL	50-52"	127-132
XXXL	54-56"	137-142

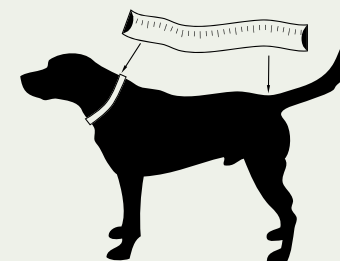

Men's Cap Sizing

Cap Size	Head Circumference (cm)	UK Hat Size
S	54	6 ⁵ / ₈
M	56	6 ⁷ / ₈
L	58	7 ¹ / ₈
XL	60	7 ³ / ₈
XXL	62	7 ⁵ / ₈

Please note that the colour of our jumpers and caps is Forest Green. It is extremely difficult to photograph our fabric accurately as it is made from a melange yarn (a bespoke blend of differently coloured fibres). Whilst the overall appearance of our jumpers is green, you can see flecks of other colours within it for a "natural" effect.

Canine Sizing Guide

Choosing the right size coat for your dog

- Please measure your dog as shown to the right, from where his collar rests on his neck to the base of his tail. If the size falls equally between two coat sizes, we recommend that you choose the larger coat to maximise drying capability.
- There are significant variations in size between individual dogs within a breed. To ensure the perfect fit, please measure your dog as shown below.
- if you wish to order a bespoke or breed dog coat, it is often helpful to take a second measurement of the chest circumference. If in any doubt, please give us a call.

Measurements (cm)	Size (Dog)
25 - 30cm	
30 - 35cm	
35 - 40cm	
40 - 45cm	
45 - 50cm	
50 - 55cm	
55 - 60cm	
60 - 65cm	
65 - 70cm	
70 - 75cm	

Embroidery

To enhance your new Lansdown Jumper or Lansdown Gundog Coat we offer a comprehensive range of pre-formed embroideries (as pictured right).

You can also have your own design or logo added to promote your business, club or society, please contact us for more details.
