NEWSLETTER #28, 21/11/2013

Today's newsletter focuses on our exciting new volunteer scheme, the Hawk Talons!

1) Hawk Talons

We are pleased to announce our brand new volunteer scheme, the Hawk Talons. Our goal is to create a dedicated demo and tournament team to help expand the Dropzone Commander community!

A Hawk Talon will receive points from running demo days, tournaments and leagues in their local stores, which they can spend at a dedicated Hawk Talon webstore on any of our products. As a Talon you will also have access to private forum sections where you will be able to see exclusive sneak previews, get the chance to purchase new releases early and will also receive a free Hawk Talon T-Shirt!

We are beginning the application process today and the scheme will be live from January 6th 2014, although the dedicated Hawk Talon webstore will follow a little while later. [All of the information and application forms can be found here >](#) and completed forms should be submitted to talons@hawkwargames.com.
