

Brooklyn's Vapourette Co.

Bedford Slims Battery Recycling Program

Battery Redemption Instructions: For every 7 batteries you mail in, you will receive 1 brand new Vapourette electronic cigarette battery. We will email you a coupon code for your free battery(s) with your next purchase with us. No purchase minimum required. Limit 3 batteries per customer per month.

Mailing Instructions: Bedford Slims will not accept any batteries sent in envelopes. Please take extreme care in packing lithium ion batteries. Remember, between your home and our office there are several people handling this package and if it were to break you would be putting people at extreme risk for exposure to battery acid. It is advised you use a padded mailer with bubble wrap or a small box with packing peanuts or other filler.

Mail this completed form along with your batteries to:

Bedford Slims Battery Program
