only
€850

VAT exempt

Hera/140

Hera's recline feature allows many carer functions to be more easily and comfortably carried out, e.g. in a bathing or toilet hygiene situation, or when transferring the user from a mobile or overhead lift into the chair.

PRODUCT HIGHLIGHTS

- Easy action tilting function, backwards or forwards.
- Clean lines, concealed cables.
- Optional seat with closed or open front.
- Height adjustable frame.
- Maintenance free, low friction castors, smooth rolling for easy manoeuvrability.
- Wide range of accessories.
