Lost Combination / Duplicate Key Form

Instructions:

1. Verify if your warranty information is on file. If your warranty information is NOT on file provide a copy of the original receipt. If you are unable to provide a copy of the original receipt, you can do one of the following. (1) Contact your local law enforcement and ask them to verify that the safe is in your possession and that it hasn't been reported stolen. Have the law enforcement agency give you a written statement on their letterhead stating the above. Send in the statement in place of your original receipt. (2) Contact a licensed and bonded locksmith in your area to come to the safe location and do the safe verification. Have the licensed and bonded locksmith give you a written statement on their letterhead stating the above. Locksmith must include their ALOA or SAVTA #. Send in the statement in place of your original receipt.
