

## SMK Electronics Corporation, U.S.A. Manufacturer's Product Warranty

SMK Electronics Corporation, U.S.A. warrants to the original end-user purchaser of the Product (“you”) that the Product, excluding batteries, will be free from defects in materials or workmanship under normal use and service for one year from date of purchase.

Dated invoice or sales receipt is necessary to accompany the Product returned for warranty service consideration. Any Product repaired or replaced under the terms of the warranty is covered for the remainder of the original warranty period or ninety (90) days from the date of service or return shipping, whichever is longer. If the Product becomes defective in materials or workmanship during the warranty period, SMK Electronics Corporation will, at its option, either repair or replace it with a more current or upgraded model if the originally purchased model is not available.

This warranty does not cover products which have been subjected to misuse, accident, physical damage, improper installation, abnormal operation or handling, neglect, inundation or fire, or when product regulatory label has been removed, altered or rendered illegible; nor does it cover accessory and consumable items. In no case shall SMK Electronics be liable for any indirect special, incidental, or consequential damages based upon breach of warranty, breach of contract, negligence, strict tort or any other legal theory. Such damages include, but are not limited to, loss of profits, loss of savings or revenues, inability to use the product or any associated equipment, cost of capital, cost of any substitute equipment, facilities or services, claims by third parties other than you, and injury to property.

SMK Electronics’ total liability for damages for any cause related to, or arising out of, the use or inability to use the product, shall not exceed the original price paid for the product even if SMK Electronics has been informed of such possibility. If your Product requires warranty service, you must first contact SMK Electronics Product Support to receive an RMA Number. The contact information can be found on SMK Electronics website: <http://www.smklink.com/>.

This warranty does not affect your statutory right and you may also have other rights, which vary from state to state. Unless modified in writing, signed by both you and SMK Electronics Corporation, U.S.A., this warranty is understood to be the complete and exclusive agreement between the parties, superseding all prior agreements, oral or written, and all other communications between the parties relating to the subject matter of this warranty.

The above warranty does not apply to products purchased in Australia. Products sold in Australia by an authorized SMK reseller will contain an Australia-specific warranty statement.
