Here wee go!

Step 1

Cut out templates, and use as guides to cut all shapes from construction paper as directed.

Step 2

(carefully remove handles, cut eye slot, cut arm holes).

Step 3

(use the image on cover as a guide)

Take a pic of your kid wearing the costume, and post it to www.facebook.com/weesociety for a chance to win fun Wee stuff.

Face

Orange Paper
Peekaboo eye slot
Center left to right on a sheet of Orange paper, 3½" from the top.

Be sure there's plenty of space in the eye holes for your little one to see. And if your kiddo doesn't like head-covering, no problem -- just cut a hole in the top of the bag so the head can poke through. (The Wee Alpha will be on the kid's chest.)

Arm holes

(X 2) Approximately 9½" from top of bag / centered left to right
You may need to experiment with size and location of arm holes depending on the height of your little one.
