Let's do this!

What you'll need

A brown paper grocery bag

If there's printing on the bag, just cut a panel from another paper bag and glue it on for a plain surface.

Construction paper

9" x 12" sheets:

Green (2 Sheets), Yellow (1 Sheet), White (1 Sheet),
Pink (1 sheet), Orange (1 sheet), Black (1 Sheet)

Dark green or brown (1 Sheet),
or whatever colors you like!

Scissors

Pencil

Ruler

Glue stick

Snack (Optional)

Here wee go!

Step 1

Cut out templates, and use as guides to cut all shapes from construction paper as directed.

Step 2

Prepare the paper bag.

(carefully remove handles, cut eye slot, cut arm holes)

Step 3

Glue all pieces together & onto the bag.

(use the image on cover as a guide)

Step 4

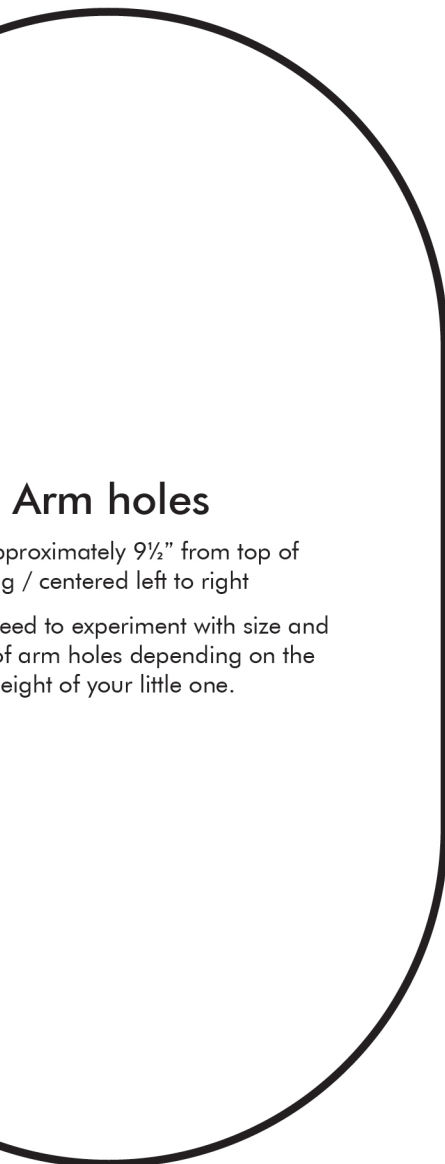

Share!

Take a pic of your kid wearing the costume, and post it to www.facebook.com/weesociety for a chance to win fun Wee stuff.

Peekaboo eye slot

3½" from top edge / centered left to right

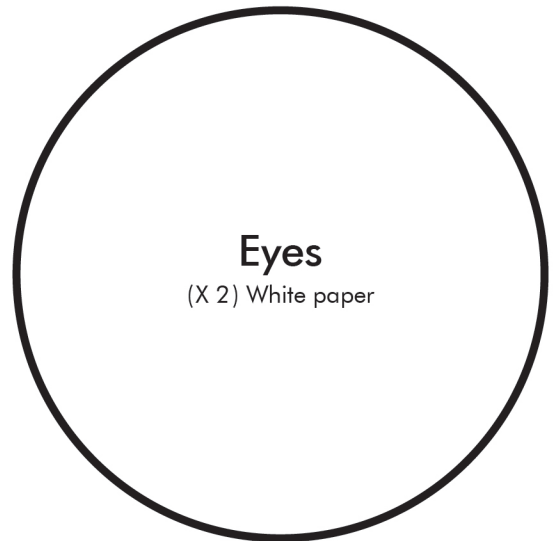

Be sure there's plenty of space in the eye slot for your little one to see.

Arm holes

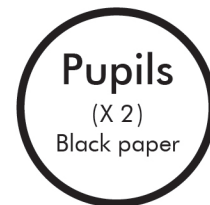

(X 2) Approximately 9½" from top of bag / centered left to right

You may need to experiment with size and location of arm holes depending on the height of your little one.
