# Let's do this!

## What you'll need

### A brown paper grocery bag

If there's printing on the bag, just cut a panel from another paper bag and glue it on for a plain surface.

### Construction paper

9" x 12" sheets:

Light Blue (2 Sheets), White (1 Sheet), Black (1 Sheet),  
or whatever colors you like!

Scissors

Pencil

Ruler

Glue stick

Snack  
(Optional)

## Here wee go!

### Step 1

Cut out templates, and use as guides to cut all shapes from construction paper as directed.

### Step 2

Prepare the paper bag.

(carefully remove handles, cut eye slot, cut arm holes)

### Step 3

Glue all pieces together & onto the bag.

(use the image on cover as a guide)

### Step 4

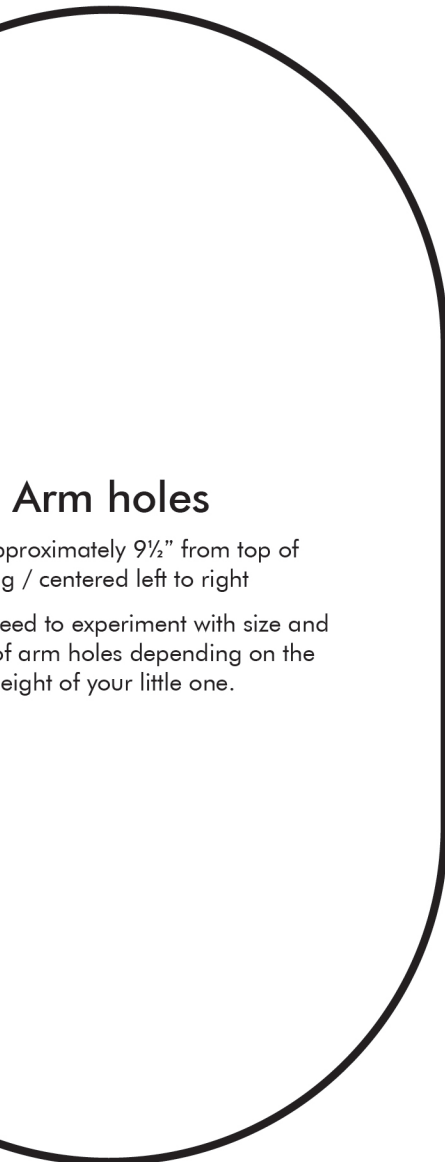

Share!

Take a pic of your kid wearing the costume, and post it to [www.facebook.com/weesociety](http://www.facebook.com/weesociety) for a chance to win fun Wee stuff.

## Peekaboo eye slot

3½" from top edge / centered left to right

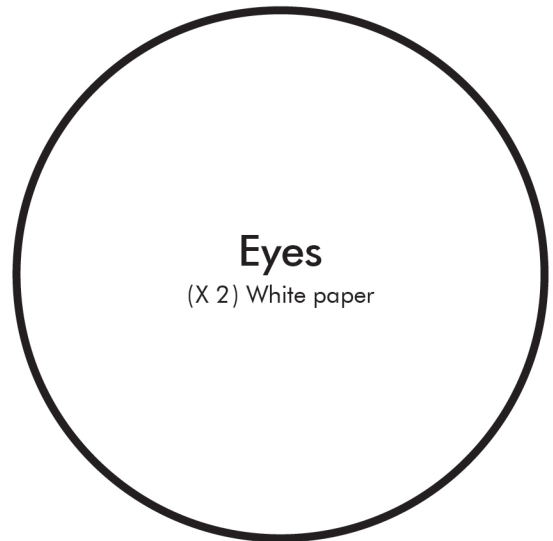

Be sure there's plenty of space in the eye slot for your little one to see.

## Arm holes

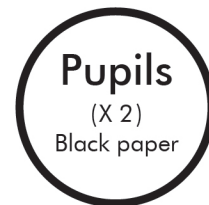

(X 2) Approximately 9½" from top of bag / centered left to right

You may need to experiment with size and location of arm holes depending on the height of your little one.

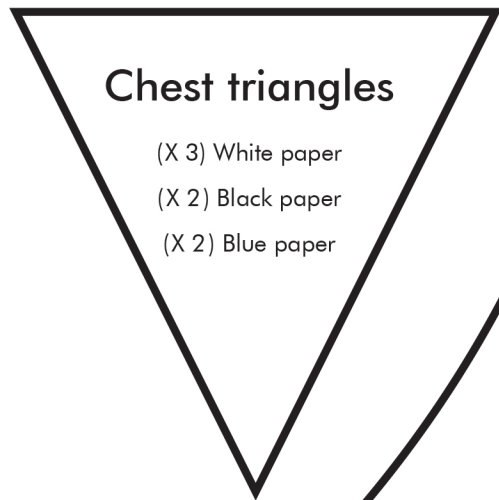

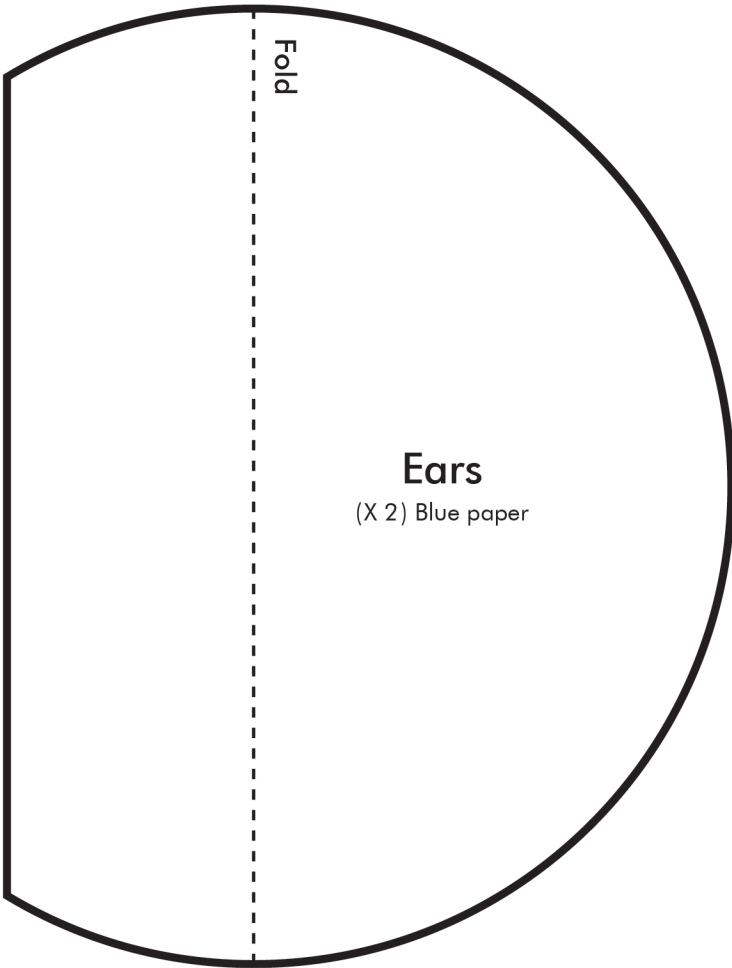

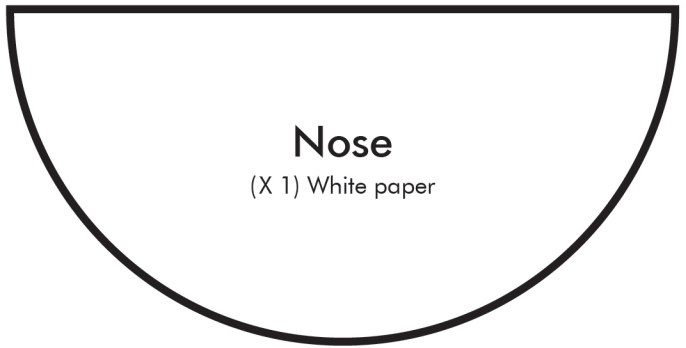

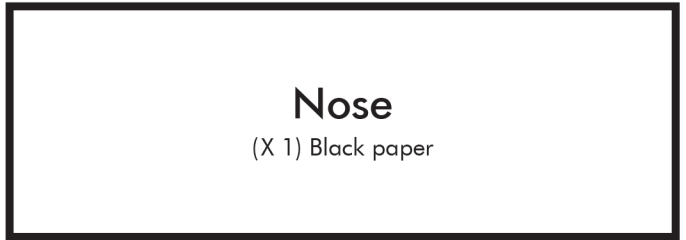

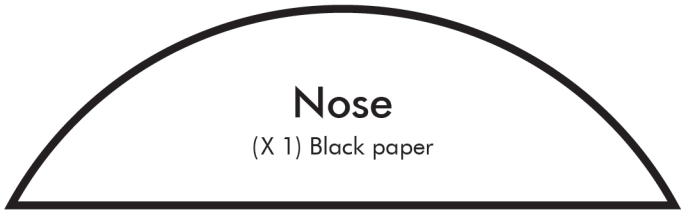

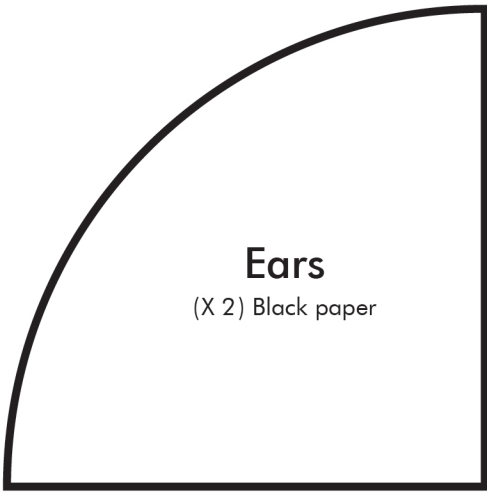

## Eyes

(X 2) White paper

## Pupils

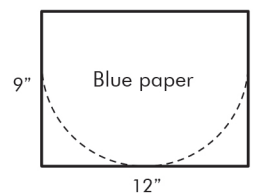

(X 2)  
Black paper

**Face cut out**  
(X 2)

Use to remove bottom left and right corner from a 12" x 9" horizontal sheet

cut like this:

Bottom edge  
↓
