

P+

TAKING POLISH FURTHER

- + **Great chemistry, made in the USA**
- + **Brilliant & bold colors, soak-off formulation** :: the Light Elegance tradition of spectacular color continues with P+, giving your clients more ways to sparkle.
- + **The proof is on the packaging** :: see the actual product on a cured dot for every bottle of P+ Polish and Glitter Gel.
- + **Famous LE Glitter Gel in a polish bottle** :: Brush-on. Soak-off. Enjoy.
- + **No damage to the natural nail** :: the innovative P+ Base Coat shields the natural nail from damage during the removal process.
- + **Lasting performance** :: 12 months of continual P+ testing shows over 2 weeks of lasting shine and no natural nail damage. Period.
- + **Works with any system** :: apply P+ Gel Polish or P+ Glitter Gel over any other soft gel, hard gel or acrylic.
- + **Perfect for pedicures** :: Fast, Easy & Clean!
