BEAUTY SERVICES

With a dedicated beauty room our fabulous beauticians have selected only the best products to give you the choice of an indulgent few hours or just a 15 minute touch up to your eyebrows before you head out for the night.

WAXING, TINTING & THREADING

We insist on using the celebrities favourite Lycon Wax® for all our waxing treatments. Working at lower temperatures and containing essential oils that soothe and nurture even the most sensitive skin the wax can be spread super fine and removes the shortest of hair, virtually painlessly.
