# MAT FASTENER INSTALLATION INSTRUCTIONS

1. Put the mat in the vehicle. Place the mat fastener on the floor of the vehicle carpet with the rounded hook protruding through the mat grommet. The back of the mat fastener should point to the rear of the vehicle.

2. On the vehicle carpet mark the position of the mat fastener's screw point. Remove the mat.

3. Insert a large screwdriver into the fastener's slot. Press straight down on the fastener screw to puncture the vehicle's carpet. Screw the fastener clockwise into the vehicle's carpet. It takes approximately 6 complete round-the-clock cycles before the mat fastener is secure.

4. Repeat on both sides of the mat. Place the mat in the vehicle with the mat grommets over the rounded hooks.
