# SIZING GUIDE

## SIZING FOR MEN

### Collar

Measure around the neck without pulling the tape tight  
Alternatively check the label on a favourite shirt

### Chest

Standing normally, measure around the fullest part of your chest

### Waist

Measure where your trouser waistband normally sits

### Inside Leg

Standing normally, measure your trousers from the crotch seam to the hem  
Alternatively measure a favourite pair of trousers that fit you well

### Cap

Measure around the head in centimetres and check against the chart

## SIZING FOR WOMEN

### Bust

Measure around the fullest part making sure the tape is level across your shoulder blades

### Waist

Measure your natural waistline without pulling the tape tight

### Hips

Measure the fullest part of your hips keeping the tape level

### Inside Leg

Standing normally, measure your trousers from the crotch seam to the hem, making allowance for heels  
Alternatively measure a favourite pair of trousers that fit you well

### Hat

Measure around your head in centimetres and check against the chart

## OUTSIZES

If you do not fit our standard size garments we can manufacture and tailor uniform for you

Please request a special measure form. Complete and return it to us. We will advise delivery times and cost
