A great way to vitalize your treatment space is by introducing color. Be careful not to be too enthusiastic with one color, however, as complementary colors will appeal to a broader array of clients.

Nuvaply, Year in Review

Nuvaply has been around for just over a year - and we've come a long way! Have a look at the numerous milestones we've achieved thanks to our loyal customers:

- We sold our **1000th** Nuvaply Table Tear-Care kit!
- Nuvaply can be found on vinyl equipment in the US, Canada, the UK, New Zealand and South Africa.
- Customers include chiropractors, physical therapists, massage therapists, fitness facilities, hair salons, restaurants and more ...
- We've sold patches to several prominent professional health franchise groups in North America.
- Nuvaply is carried by eight top-tier distributor partners.

None of this would be possible without your support. The Surface Medical team would like to extend a very large THANK YOU to all those who believe in this product. We look forward to many more years of helping businesses save money with this innovative maintenance solution.
