EP Document Flip Stand

REDUCES excess side rotation of the neck - documents are positioned between the keyboard and monitor

GREAT FOR limited desk spaces

2 SEPARATE WRITING SURFACES are created when the document holder is flipped down over the keyboard (together or individually)

SLEEK, MODERN & CLEAR design makes it blend perfectly into any decor

DESIGNED & MADE IN AUSTRALIA with fully recyclable materials

CUSTOM-BUILT dimensions available for orders over 20 units

NO OBLIGATION trials available

COLOUR

Clear

MATERIAL

Perspex (recyclable)
