

Flexibility is key to the new DM 27 series. It is available in three widths and with top brackets measuring just 45cm it accommodates very narrow top sizes. A 125 kg lift capacity, safety stop feature and built in cable management make this desk complete. With a height range of 540mm to 1190mm it is perfect for the smallest to the tallest users.

Frame height range: 540mm to 1190mm
