

**Tablet stand | For iPad® 2, iPad 3 and iPad 4**

The Visidec VTB-IPS is a versatile tablet stand for the iPad 2, iPad 3, and iPad 4 that dramatically enhances usability of the iPad whilst also providing additional protection from bumps and scratches. It enables the iPad to be comfortably seated on a desk, rested on your lap or even be attached to the headrest of a car (via the included car headrest attachment). It also provides additional support for iPad when used in a handheld setting and offers further comfort and ergonomic support. The handle rotates 360° and allows for portrait or landscape tablet orientation and a large variety of viewing angle adjustments.
