

AMERICAN ALL-STARS

Come July 4th, show your patriotic side with decor made in the USA. "Accessories featuring graphic Americana motifs complement modern and traditional furnishings," says Lori Slater, designer of the In2Green flag-patterned throw pictured below. Among our favorite national treasures: bandana-print napkins, star-spangled dinnerware and a handsome cutting board in the shape of the United States. For more information, see Buyer's Guide, page 153.
