SUSTAINABLE DOESN'T ALWAYS MEAN EXPENSIVE. THESE AFFORDABLE GIFT OPTIONS ARE GREAT FOR FRIENDS, FAMILY AND THE EARTH.

These charming, handmade, **LEAD- AND CADMIUM-FREE TEAPOTS** are crafted from special clay that requires 20 percent less energy to fire than conventional. The Swiss Terra Keramik company mixes eco-friendly hydropower with electricity generated from municipal waste to power its operations and uses recycled shipping materials. Eight-cup teapot (available in eight colors): \$106. (203) 644-0427; www.TerraKeramik.com

LUXURIOUS BLANKETS from In2Green, are made from eco2cotton, a blend of recycled, pre-consumer, cotton-knit cuttings. Eco2cotton reduces waste from textile manufacture. 50-by-60-inch blanket (Branches pattern in rust shown): \$125. (914) 693-5054; www.In2Green.com

NKD NAKED CANDLES contain no chemicals or additives—just pure soy with cotton wicks—and all labels are printed on recycled paper with soy ink. 8-ounce candle (burns 70 hours): \$13; 13.5-ounce candle (burns 100 hours): \$20. (303) 530-3630; www.NKDpure.com

Help end poverty by purchasing a **HOPE BASKET** in your gift recipient's name from Heifer International. The basket contains chickens and rabbits, providing hungry families in developing countries and impoverished rural communities a source of eggs and economic independence. Hope Basket: \$50.
