

ARTISM GALLERY IN POLLY'S PLACE THE AUTISM TRUST

NATALIE PRIEST - AUTHOR

This Brochure features the Art Work of Artists who display their creations at Polly's Place. The talented Artists all have an Autism Spectrum Condition or are friends or family of those that have the condition. I'm Natalie Priest, I am 30 Years Old and I have Aspergers Syndrome. I volunteer at Polly's Place two days per week and was given the opportunity to create this brochure. I also am an Artist and make Art Work to be put on display and sale at Polly's Place. I have a BA Hons in Animation and enjoy making animated films, Digital Art and travelling overseas to do Volunteer Work.

J.A.TAN

“I work on my paintings the same way I work at life. I paint from small images and idea and work up to a unified whole. As in my life, I learn in small steps and take in as much information and details as I can. I then put them all together in a whole piece that makes it possible for me to integrate into the World that everyone else perceives. I live and work in this same World; but it is seen in a different perspective by me and my Autistic Mind”.
