

MK COMPLETE COUNTERTOP CARE

DIRECTIONS: Shake **MK Complete Countertop Care** well before using. Spray area to be cleaned and wipe with a soft cloth in a circular motion until the surface is dry. For heavily soiled countertops, spray product and buff with a scrub sponge before wiping dry. For a layer of added protection against stains and water marks on natural stone surfaces use **MK Premium Stone Sealer** or **Advanced Stone Sealer** every six months.

MK Complete Countertop Care

is another custom blended product made in the USA for

Marble Kare Products, Inc.
