

Products: **SMOOTH SEALANT & SEAMTAPE**

Application: **RV Repair & Protect Skylights & Vents**

Applicator: **DIY**

Location: **Victoria, British Columbia**

Project size: **10 Linear Ft.**

Completion date: **May 2013**

PROJECT DESCRIPTION

The RV owner had leaks through his skylights and vents. He wanted to do a repair but did not want the outlay of redoing the whole roof. Liquid Rubber Seam Tape and White Smooth Sealant made the DIY repair possible yet cost effective.

LEAKING VENT

SEAM TAPE APPLICATION

SMOOTH SEALANT APPLICATION

CHALLENGE

Bridging the roof and vent housing while providing a seamless waterproof seal.

LIQUID RUBBER SOLUTION

Roof and housing were cleaned with a bio-degradable cleaner.

6" Liquid Rubber Seam Tape™ bridged any gaps, cracks and seams.

White, Liquid Rubber Smooth Sealant™ was applied in 3 coats providing solar reflectivity and water resistance.

Products in the Liquid Rubber line include:

WATERPROOF SEALANT, METALS SAFE SEALANT, SMOOTH SEALANT, TEXTURED SEALANT, TOUGH DIP, SEAM TAPE, GEO-TEXTILE
