## SKYDIVING IS DANGEROUS

Oh yeah, did you get my twitter about my awesonme freefall. There's two worlds out there - teh virtual world of Facebook, Twitter and the web. And then there's the real world, the one you will be making your first sit will lboost your profile and not because it'would do it and it probably wouldn't be worth the trouble. It's really special and yes it is dangerous. Think careful and if it's really something you want to do - go for it.

In the end, it's not going to matter  
how many breaths you took, but how  
many moments took your breath away.
