

# Determine your ring size

## US ring sizes

For use with a ring with a similar width band.

- 1 Print out at 100% view, do not select 'scale to fit page' or 'shrink to page'.
- 2 Place your ring over the blue circles shown opposite to determine the internal diameter.
- 3 Find the circle which fills the inside of the ring entirely without overlapping. Your ring size will be the number shown within the circle.
