## Metallica

Hand-painted with silver leaf, the botanical motif of Natural Curiosities' new Tree of Life 1 work on paper was inspired by 1950s textiles (naturalcuriosities.com).

It measures 46" w. x 68" h. and comes framed (\$2,425 at Mecox Gardens; mecoxgardens.com).

## Fringe Benefits

Clarence House's sparkling new double-tassel tiebacks—including Empire, center, and Les Ors, top and bottom—add elegance to any window treatment (to the trade; clarencehouse.com, 800-221-4704).

## Grand Debut

Michael S. Smith's first furniture designs for Baker include the Voltaire server, with tiered shelves, tapered legs, and metal casters, based on an 18th-century piece. Shown in Lindstrom-green finish with antique-white-gold accents, it measures 47" l. x 42.75" h. x 20.25" d. (\$3,980; bakerfurniture.com, 800-592-2537).

## Très, Très Chic

A sculpted back and flared arms lend a French Forties feel to the Pierre chair, a new addition to Bunny Williams's BeeLine Home collection. It's available in standard fabrics or c.o.m. (from \$3,200; beelinehome.com, 212-935-5930).
