Special Features

- No VOC
- Easy to Use
- Fast Acting
- Interior/Exterior Safe
- Does not etch Marble, Limestone or other Calcium base Natural Stone.
- Will remove cement, acrylic, urethane and some epoxy grout haze.

PRODUCT DESCRIPTION

KEEP OUT OF REACH OF CHILDREN AND PETS. Miracle Heavy Duty Cleaner (Acid Substitute) is a water based, non-acid, non-toxic, biodegradable cleaner with no VOCs. **Miracle Heavy Duty Cleaner (Acid Substitute)** will safely clean multiple surfaces in both residential and commercial environments. **Miracle Heavy Duty Cleaner (Acid Substitute)** has been formulated to deal with dirt and grime on a molecular level. Cement grout haze can be removed without using harsh acids. Grease can be effectively eliminated. Carbon build up is lifted away. Clean sticker residue, scum, efflorescence, salts, minerals, crude oil, kitchen grease, permanent marker and automotive liquids. **Miracle Heavy Duty Cleaner (Acid Substitute)** won't leave an oily or soapy residue and will not stain or mark the substrate. **Miracle Heavy Duty Cleaner (Acid Substitute)** encapsulates dirt and grime, which are then picked up by a clean non-abrasive micro fiber cloth, clean towel or mop. **Miracle Heavy Duty Cleaner (Acid Substitute)** helps protect the surface while helping to restore the factory finish.

Sample Testing

Due to the differences of each surface, several inconspicuous test patches should be completed to assure **Miracle Heavy Duty Cleaner (Acid Substitute)** meets desired expectations. **User must determine suitability of the product for their intended use.**

Protect Neighboring Surfaces

Always protect neighboring surfaces.

APPLICATION INSTRUCTIONS

Read entire label and SDS/PDS before using.

Miracle Heavy Duty Cleaner (Acid Substitute) can be used undiluted for difficult jobs or diluted as much as 5-1 with clean water depending on the severity of the job. Apply **Miracle Heavy Duty Cleaner (Acid Substitute)** with a spray, towel, mop or brush directly to the surface and allow to sit for 3-20 minutes depending on the severity of the job and the material that needs to be cleaned from the surface. Wipe dry. For more difficult jobs agitate by scrubbing the substrate. **Miracle Heavy Duty Cleaner (Acid Substitute)** can sit on surface up to 20 minutes. Wipe clean using a clean dry micro fiber or towel. No rinsing is necessary for most jobs.

For Grout Haze Removal allow **Miracle Heavy Duty Cleaner (Acid Substitute)** to sit until the grout begins to loosen. Agitate periodically using a soft brush to help loosen grout haze. Rinse with clean water to remove all grout haze and residue from the surface.

Water, Stain & Slip Protection

To protect clean surfaces from future soiling, staining and increase static coefficient of friction, we recommend applying the appropriate **Miracle Penetrating Sealer/Impregnator.**

Color and Gloss Enhancement

For added color with textured and non-polished surfaces, **511 Seal & Enhance** or **Mira Matte** may be used.

Coverage

Coverage will vary depending on density, porosity, texture, surface absorption, weather, time solution left on surface and application method. Used as directed, **Miracle Heavy Duty Cleaner (Acid Substitute)** will cover approximately 175-300 square feet per gallon (16.25 - 32.51 square meters per 3.785 Liters).

MAINTENANCE

For ongoing maintenance instructions please refer to **Miracle Sealants Care Guide.** Refer to the **Miracle Sealants Product Recommendation Chart** for specific product recommendations.

Storage

Store **Miracle Heavy Duty Cleaner (Acid Substitute)** in the original container, properly sealed to avoid contamination and evaporation. Keep in upright position. Stored at 77° F (25° C), **Miracle Heavy Duty Cleaner (Acid Substitute)** will have a shelf life of 12 months. Do not allow to freeze.
