Creative Musicianship is the key to getting your students from where they are in music to the place you want them to be!

Creative Musicianship is a great new interactive music resource, specifically designed for first year Secondary School music students, who want a more exciting learning experience.

The **Student Workbook** book uses a unique practical approach, which makes learning the concepts of grade one theory fun and more relevant.

This **practical introduction** to music is the fast and easy way to develop your students' musical skills, while building a solid theoretical foundation on which to base their future in music.

The **Teacher's Handbook CD pack** contains everything you need to deliver this new, exciting program; answers for all of the Student Workbook exercises, unit tests, CD accompaniment for practical activities and much more....
