

Wall Mounted Water Boiler Range WA2N, WA5N & WA10N

The WA range offers three wall mounted models with simple stainless steel cases. Providing a plentiful supply of boiling water.

For customers who are working to a budget and want Instanta quality and reliability but with slightly lower specification and style, we are pleased to offer three wall mounted value models.

Where space is at a premium you need the keenest price, these wall mounted boilers with simple stainless steel cases are ideal and will provide a plentiful supply of hot water.

Features and Benefits

- Introductory diagnostic system
- Three models available
