

DIY Bunches

Do It Yourself!

Flowers are ordered by the bunch.

Most bunches have 10stems, unless otherwise noted. Exception is foliage and fillers.

DIY Bunches need a 2 week notice to order.

A 50% deposit is require at the time of order.

You must provide your own buckets to transport your DIY bunches. A 5-gallon bucket is the correct size.

These buckets needed to be clean and free of chemicals, gas or dirt.

My Viola will fill the buckets with water.
