Kane & Couture

The fashionable, functional and affordable canine lifestyle brand for modern and stylish dog lovers.

Dogs have become an integral part of our families and our lifestyles. Inspired by the love of her dog, Kane, and the joy of including him in her lifestyle, Kane & Couture President, Amber Lee Forrester, set out to create a line of comfortable and convenient dog products designed with an urban-chic touch.

Under the Kane & Couture umbrella, we have our Kane & Couture Signature line, and our value-driven little brother and little sister lines-the Bubba Dog Collection and Imperial Pup. From sporty to chic, surprisingly inexpensive to lavish, our assortment of collars, harnesses, leashes, apparel, carriers and useful accessories put the style in you and your doggy's lifestyle.

Since 2008, Kane & Couture has materialized from a dream and a few sketches to a growingly recognizable brand sold at some of the coolest pet boutiques and stores in the U.S. and beyond, as well as select major and popular online retailers. Our customers appreciate our growing selection of everyday and special occasion products and the urban-chic touch that makes our brand reflective of the contemporary fashion trends they love.

In September 2013, Amber successfully pitched Kane & Couture to the Sharks on ABC's hit show Shark Tank. Daymond John and Lori Greiner agreed to invest in Kane & Couture if Amber can prove her optimistic projections realistic in the coming months. The challenge is on and regardless of the results, Amber's aggressive efforts are sure to take her company to the next level.
