

BONDI CUBS

OUR AIM

Through our experienced coaches we aim to teach kids all about Basketball, from basic game rules to developing correct techniques from an early age.

We aim to do this in a fun and friendly environment so the kids enjoy themselves whilst teaching them how to play together as a team as well as interact with kids their age group.

BONDI CUBS PROGRAM

The cubs program is aimed at young kids between 5-8 years old to develop their Basketball skills. With professional coaches running through skills sessions and drills to help kids reach that next level.
