PORTLAND

Pacific Northwest adventure awaits in and around this Oregon city.

FILL YOUR DAYS with the simple pleasures of hiking, biking and beer.

STAY Jupiter Hotel ranks at the top of Portland's coolest places to stay. The inn-turned-boutique hotel is an upgraded midcentury gem with a price tag that won't break the bank.

EAT/DO Columbia River Gorge, 60 miles outside the city, offers hiking trails galore. Fuel up first at the punny Fried Egg I'm in Love food truck, where you'll find breakfast sandwiches with names like Sriracha Mix-a-Lot.

DRINK Portland is nirvana for beer lovers, boasting more than 70 breweries. Jump on a Biketown bike (the city's sharing program) and cruise the suds scene. Or arrange a ride with Brewvana, which creates customizable bus tours for you and your buds. — **ELIZABETH DOYLE**
