# ABOUT US

At millamae we love creating sweet stationery and pretty party things. Our products are exclusively designed and produced by our team in sunny Durbs, South Africa.

Our range includes invites, cupcake stands, cupcake wrappers with mini cupcake flags and bunting to match. We have the cutest gift tags and stickers to dress up your gifts, and our range of hardcover journals and diaries are so wantable, you'll find them hard to resist.

Our products are printed on environmentally friendly paper that comes from sustainable forestry, endorsed by Forest Steward Council (FSC). We use printing technology that saves water, paper waste and is energy efficient.

Reducing the environmental impact of the printing process is something that is important to us.

If you are interested in buying our product wholesale please send us a mail to [admin@millamae.co.za](mailto:admin@millamae.co.za) and we'll be sure to send you all the relevant information.
