

ChameleonSkinz™

color changing tape

butterfly

What you need - Print of Chameleon color changing butterfly pattern, Chameleon Skinz™ orange to yellow color changing tape, Chameleon Skinz™ blue to white color changing tape, Chameleon Skinz™ green to yellow color changing tape, scissors, parchment paper, 1/2" green rhinestone, fine tip Sharpie pen.

Instructions - Cut out the pattern pieces. Place a piece of Chameleon Skinz™ blue to white color changing tape onto a piece of parchment paper. Place the circle pattern and the small wing pattern pieces over the blue tape and cut two of each. Place a piece of Chameleon Skinz™ orange to yellow color changing tape onto a piece of parchment paper. Place the large wing and the inside of the small wing patterns pieces over the tape and cut two of each. Place a small piece of Chameleon Skinz™ green to yellow color changing tape onto a piece of parchment paper. Place the body pattern piece over the tape and cut one. Place pieces as per photo and diagram above onto the item of your choice. Draw on the antennae with a fine tip Sharpie. Place a small dot of hot glue at the top of the body and adhere the green rhinestone.
