

When it's right, it just clicks

Philips Respironics Amara full-face mask - performance, appeal,
and simplicity at its best.

PHILIPS

RESPIRONICS

sense and simplicity

The Amara full-face mask from Philips Respironics has an innovative, 4-part modular design that is lighter, smaller, and requires just a single click to assemble, making it easy to fit and easy for patients to live with.

Performance, appeal, simplicity

One-click cushion assembly

Cushion designed to reduce pressure points

Quick-fit headgear clips

Reduces the need for continual headgear adjustment

Fine-glide forehead adjuster

8 selectable positions for fine tuning seal and fit

Minimal footprint frame

Smaller and lighter than any other leading traditional full-face mask on the market

360° rotating elbow

Quiet-exhalation microports with quick release swivel

As your Allies in Better Sleep and Breathing, we lead the way by
working in harmony with healthcare professionals for healthier patients
