

## ClearView® Audio Appoints Chief Financial Officer

**Waltham, MA — December 11, 2013** - ClearView® Audio, a pioneer in transparent loudspeaker technology and winner of a 2014 CES Innovations Award, has appointed Gregory S. Galliford to the position of chief financial officer. Galliford has more than 20 years experience providing financial direction to innovative technology companies. He has served as CFO of two technology firms and was a senior financial analyst at the Hewlett Packard Company. Galliford holds an MBA from the Harvard Business School and a BS in Accounting from Florida State University. A CPA, he began his career at KPMG in both the audit and consulting departments. Galliford will manage the overall financial operations for the company.

“ClearView Audio is an up-and-coming company with breakthrough technologies for consumers who value their interior décor as much as they value high quality audio. The company is at a point of inflection as it introduces its first product and launches global retail distribution”, said Greg Galliford, Chief Financial Officer. “I am excited to be part of the next stage of our company’s development and expansion.”

Stefan Bokamper, CEO of ClearView® Audio, said, “ClearView Audio’s vision is to be the leading brand of wireless invisible speakers on the planet. Our innovative technologies and elegant designs are a perfect match with the growing global market for wireless sound systems. We continue to add strong expertise to our team in order to capitalize on this opportunity, and Greg is no exception.”

Galliford’s appointment comes just prior to ClearView Audio’s introduction of its first wireless speaker at CES Unveiled LAS VEGAS on Jan. 5, 2014, and exhibition at Eureka Park, a CES TechZone that showcases innovative products and companies.

**About ClearView® Audio.** ClearView® Audio is an entrepreneurial company led by a team of innovative designers and engineers, deeply steeped in Boston’s heritage of making acclaimed acoustic speakers. We believe that good design, innovative engineering, and advanced acoustic technology are key to the enjoyment of audio in the home. ClearView Audio has developed Edge Motion®, a breakthrough patented technology that creates high quality audio from an optically clear speaker. ClearView® Audio branded décor-friendly audio solutions are designed for consumer and commercial use.
